To

The Secretary to Government,
Local Self Government Department,
Bangalore.

Sir

Subject - Administration Report of the Corporation of the City of Bangalore for the year 1950-51

I write to forward herewith a copy of letter No 78/C A 52-53 dated 30th April 1952 received from the Auditor, Corporation of the City of Bangalore and to state that under Section 42 of the Corporation Act of 1949, the Corporation has to prepare its Administration report in a form to be prescribed by Government, No such form appears to have been prescribed by Government so far As stated by the Auditor in his letter, the Report of the Corporation for 1950-51 does not furnish all the particulars specified in Appendix B of the Municipal Accounts Manual It appears therefore necessary to prescribe the form in which the Administration Report of the Corporation has to be prepared, so that a full picture of the financial position of the Corporation is presented in it

2 On a perusal of the Administration Report of the Madras Corporation it is seen that the second part of the report is exclusively devoted to finance and accounts, and furnishes a comprehensive picture of the state of finances of the Corporation The second part of the report of the Madras Corporation (copy enclosed for perusal) dealing with finances of the Corporation seems to be a good model which can be usefully adopted by the Corporation of Bangalore I request that suitable instructions may be issued to the Commissioner, Corporation of Bangalore, in the matter

Yours faithfully,

(Mohamed Rahmathulla)
CONTROLLER,
State Accounts Department

KNN 3

the year 1950-51 is printed in two parts The second part is exclusively devoted to Finance and Accounts In this part comments on the main financial features of the year and a statement of the receipts and charges of the year as compared with the budget estimates as well as the actual of the last two preceding years are given The Report is submitted herewith According to Para 45 of the Madras Corporation Code, the Administration Report should contain information relating to the receipts and expenditure to show the actual financial position of the Corporation and a brief note about the Audit of the Corporation Accounts is also required to be furnished

It is ascertained that the Administration Report of the Bangalore Corporation for the year 1950-51 has been sent to Government As this Report is considered to be the first Administration Report in the real sense after the inception of the Corporation and as it does not contain the information prescribed in the M A I , it is suggested that Government may kindly be addressed to issue instructions to the Corporation to furnish information regarding the state of accounts and audit as prescribed in the M A M on the model of the Madras Corporation Administration Report

Yours faithfully,
sd/- H Chickanna,
Auditor
